Note: If your team members span more than one age division or skill level, then your team will be flighted into the older and/or more skilled team members division. A "recreational" player plays in a league where the majority of the teams are from the same city. A "competitive" player regularly travels to non-adjacent cities for games. When filling out your registration form, you are on the honor system to disclose the skill level and ages of your players.
